

MIMITECTURE

Competition - Eight Legged Marvel - The Spider

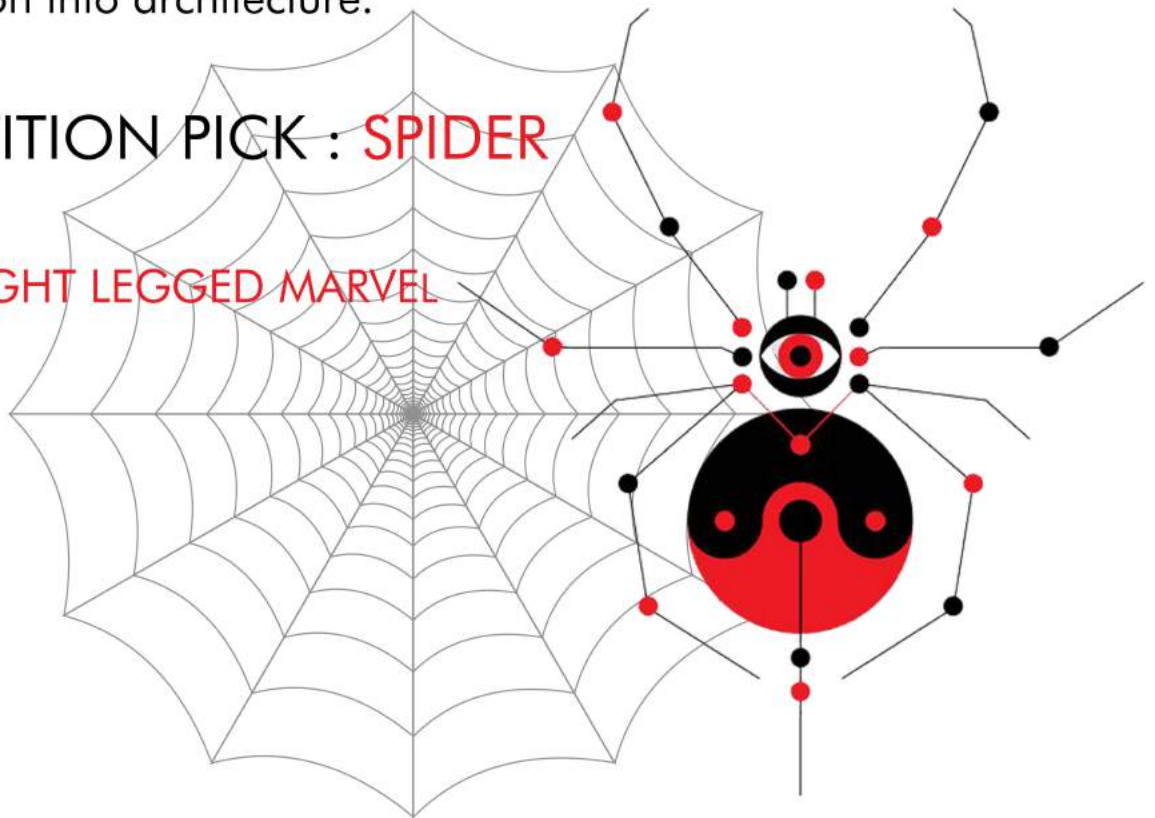

About Us : Mimitecture is an online international architectural competition website that organizes competitions which promote the magic of how bio mimicry can transform architecture.

We welcome professionals and students from around the world to showcase their creativity and compete among the craziest and the most innovative heads on Earth.

Biomimicry is an art of taking inspiration from the biological reality and replicate its form or function as techniques to implement natural phenomenon into architecture.

COMPETITION PICK : **SPIDER**

TITLE : **EIGHT LEGGED MARVEL**

Even though scary to look at, spiders are one of the most impressive and well-equipped animals on earth. They have unusually long, scurrying legs with an elevated body and primarily interact with the world through tactile sensation. They are social in nature and build a communal web to catch prey. Also spiders have the ability to regenerate and they molt to grow larger.

Tasks and rules :

Bearing in mind the innumerable qualities of the spider it is up to the participants how uniquely they study and identify a quality and innovatively implement in architecture to make it better.

Participants are free to choose what element of a building / structure / area / volume / landscape etc. they want to implement their idea and inspiration on.

Submission requirements :

Sheet orientation should be horizontal , only one A1 size sheet is to be used. Put the unique code you will receive after registration on the upper right hand corner on the sheet.

Conceptual sketches / drawings / views to explain the idea.

Views and sketches to explain features and styles.

Innovative futuristic additions are welcome.

Writeup explaining your design - maximum 200 words

submit to mimitecture.co@gmail.com

JPG format , Max size 6 MB

Judging Criteria :

Innovative ideas that also focus on practical application of the idea will be given first preference.

Neat and clean representation of inspiration through graphics and writeup.

Registration :

Registration Fees : INR 350/-
